WELCOME

Another Incredible Summer Awaits You!

With more than 60 different camp offerings over the course of our 12-week program you will find something perfect for your camper. Whether it is high adventure you are seeking or art and creativity, we have it.

I've always felt the best part of any summer camp experience is the full immersion into the outdoors. Our campers are completely engaged in all the tangible elements of summer in Wisconsin. They spend their days running, walking, skipping, playing, swimming, and singing. They get hot, wet, tired, and dirty. Best of all, they are outside and away from screens, deriving all the benefits that fresh air has to offer.

Join us at Camp Y-Koda this summer for an amazing experience with awesome staff and friends everywhere you look. We look forward to being a part of your summer!

Credit Card & E-Check payments are required for registration.

ALL NEW FAMILIES: You will need to create a household account on our online registration system: Campbrain. You can log in at any time to make additions or make payments.

RETURNING FAMILIES: If your child attended last year's summer season, you can log back into your account. If you forgot your username and password, we kindly ask that you complete the "Forgot your Username/Password" steps. This way there are not multiple accounts for one household.

PLEASE READ: There are limited number of spaces per camp. We **HIGHLY RECOMMEND** that you register early to guarantee your child a spot for the summer. Occasionally, camp scheduling, field trips, and content are subject to change due to ratios, staffing, inclement weather, and unforeseen events or circumstances. We will do our best to notify parents when these changes occur.

WISCONSIN SHARES CHILD CARE ASSISTANCE & YMCA FEE ASSISTANCE

Once approved, send us a copy of your Notice of Decision and email our Executive Director at jdentz@sheboygancountyymca.org. **Contact your Wisconsin Shares office early as you must be approved in the online Wisconsin Shares system before we can deduct the payment from your child's account**

If it has been determined that you are ineligible for assistance through the county program, please ask for a letter of declination and we will gladly review your eligibility for assistance through the YMCA Financial Assistance program. - If you decide to cancel after final due date, no refund will be provided.

No Show Policy: If you are registered for any given camp session and do not attend for any reason/or do not notify that you will not be attending **all** fees for that camp will be forfeited.

If you are interested in registering your child(ren) for a camp week this season, we highly encourage you to join the waiting list. Each year we see high demand when registration opens up and a waitlist starts on any camp. We cannot guarantee a spot will open up, but we tend to see spots become available closer to the desired camp week or after registration opens.

To be added to the waitlist, the online system will give you the option to "Add to Waitlist" during registration.

Cost? It is FREE to join the waiting lists, however you will be required to complete the required forms online. When a spot opens up you will be contacted about the next steps and have 24 hours to decide if you wish to take the open spot or not. CAMP SELECTIONS

PEE WEE CAMP

This program is designed especially for children ages 4 - 5 to enjoy a great camp experience at Camp Y-Koda. The Pee Wee program has two classrooms, Denison and Lohmann, with each being led by it's own Pee Wee Head Counselor all summer long. Each week has a different theme and has age appropriate curriculum and activities. We pay special attention to our youngest campers to make sure that their first camp experience is a positive one! Pee Wees will attend the Family Program, and do not have the option to sleepover.

TRADITIONAL DAY CAMP

Our traditional Day Camp is one of the best ways to experience the fun of Camp Y-Koda! Think of it as the "sampler" of all the different camp activities. On any given day during the week, campers may participate in archery, boating, climbing wall, fishing, fort building, nature studies, team building and so much more. The Day Camp activity schedule changes each week.

SPECIALTY CAMPS

All specialty camps are designed around a specific theme or skill. Specialty camp instruction is in the morning each day Monday - Thursday. In the afternoon, campers will partake in traditional camp activities. Selected camps will have specialty camp instruction on Friday also. Some specialty camps take off-site trips that may involve further instruction and therefore more hours. To view specialty camp descriptions, see pages 18 - 28.

RESIDENT CAMPS

These themed resident camps are a five day, four night experience for kids who can't get enough of Camp! We'll spend the week on our own schedule at our own pace. Our resident campers will stay in our Johnsonville Lodge all week. All resident camps include meals, snacks and tons of action-packed fun. Breakfast & dinner meals will be provided by Nourish of Sheboygan Falls, WI. During Lunch campers will be provided a meal by Camp Y-Koda. An email will be sent to parents prior to each camp with details and information about the week ahead.

ADVENTURE TRIPS

These off-site adventure trips offer an experience to last a lifetime and provide an amazing experience for kids and counselors alike. The fee includes all equipment, food, transportation and associated fees for the entire week. Participants cook their own meals, set their own tents and learn other valuable skills. All participants will leave with a newly earned sense of accomplishment and a better understanding of what it takes to spend a week in the outdoors. Each trip week is from Sunday-Friday and exclusive information will be emailed out by our camp director prior to arrival.

LEADERSHIP CAMPS

Summer is the perfect opportunity to help kids and teens take their first steps toward becoming camp leaders. Through training, observation, and active participation in camp activities, our future leaders will foster a sense of confidence and self-awareness. Each summer we offer a Counselor-in-Training Camp (CIT) for our older teens and Leaders-in-Training Camp (LIT) for our younger teens.

Campers are placed into groups with similarly aged children. It is a great way for your child to find out which activities they enjoy most so their next camp experience can be a specialty camp to focus on their favorite skill or activity.

Day Care Licensing only allows archery and sling shots for age 7 & older, bb guns for age 9 & older, and the ropes course for age 9 & older.

BOOTH LEADERSHIP

Growing Better Leaders

VOLUNTEER PROGRAM

ASSISTANT COUNSELOR VOLUNTEER PROGRAM

Age 14 & Older

The Assistant Counselor Volunteer Program offers countless opportunities to interact with children, lead activities and participate in camp programs. Volunteers fulfill many different roles at camp. Volunteers must have a sincere desire to become strong leaders, a wish to give back to the camp community, a strong work ethic, lots of energy and creativity, a positive attitude and the ability to put children's needs ahead of their own.

The objective of the program is to better prepare the participants to be future leaders, in and out of the camp setting. This is done through hands-on experiences and guidance from staff members. All volunteers are required to take pre-camp training on camp and state DCF rules and regulations.

S'MORE SUMMER FUN!

Offered by YMCA Camp Y-Koda

CAMPS AT MAYWOOD PARK

The summer camp experience at our Maywood site provides a unique feel with the same great quality and staff. The Maywood Summer Camp Program is also State of Wisconsin Licensed, assuring the highest quality experience for everyone. The camp experience at Maywood differs from Camp Y-Koda in site and experience. Less camps are offered at Maywood, typically only two to three offerings, and group sizes are generally smaller, providing a quainter feel. The camps use the 135 beautiful acres as their area; walking in the Pigeon River, exploring the prairie and maple forest, and taking hikes to the quarry once a week for swimming.

QUARRY QUEST CAMP

WEEK 4 & 12

Our campers had so much fun swimming and playing at the Sheboygan Quarry Park that we have designed a camp that will take us there every day! We will spend our mornings jumping and sliding on the aqua park's inflatables. Life jackets are mandatory at the quarry park and will be provided.

Extended care and bus transportation is not available at Maywood.
