WELCOME

Another Incredible Summer Awaits You!

With more than 60 different camp offerings over the course of our 12-week program you will find something perfect for your camper. Whether it is high adventure you are seeking or art and creativity, we have it!

I've always felt the best part of any summer camp experience is the full immersion into the outdoors. Our campers are completely engaged in all the tangible elements of summer in Wisconsin. They spend their days running, walking, skipping, playing, swimming, and singing. They get hot, wet, tired, and dirty. Best of all, they are outside and away from screens, deriving all the benefits that fresh air has to offer.

Join us at Camp Y-Koda this summer for an amazing experience with awesome staff and friends everywhere you look. We look forward to being a part of your summer!

A TYPICAL DAY OF CAMP

Each day of camp provides a variety of safe and fun adventures!

8:15AM - 8:30AM - CHECK-IN YOUR CAMPER

8:30AM - WELCOME TO CAMP

Each morning we meet with our counselors, and get excited for the day ahead!

8:45AM - ICE BREAKERS

Each day we have ice breakers and games to get to know the other campers and make friends.

CAMP DAY: 9:00AM - 3:30PM

Campers begin their adventure with a wide variety of small and large group activities, nature activities, arts & crafts, water fun, games, sports, special themed activities and more while growing as individuals! Mornings are so busy that we can't help but build up an appetite. Mid-day we'll kick back and relax by eating lunch and making new friendships out at the campsite.

Water fun begins after lunch with a jump in the swimming pool, swimming at the lake or enjoying a variety of water activities such as our slip n' slide, tubing in the river and much more! To end our day, campers will enjoy a snack and one last activity.

3:45PM - 4:00PM - CHECK-OUT & DEPARTURE

Each afternoon we say goodbye to our counselors and friends as we get picked up or head to the bus to go home and share our exciting camp day!

PLEASE READ: Throughout the week campers participate in all-camp games. Campers choose their own activity on selected days of the week. Specialty camps may take off-site trips or require more time for instruction so the activity period in the morning may be longer. The rest of the daily schedule is adjusted accordingly.

Detailed schedules can be found on our website:
www.sheboygancountyyymca.org/camp-y-koda.

RETURNING FAMILIES: If your child attended last year's summer season, you can log back into your account. If you forgot your username and password, we kindly ask that you complete the "Forgot your Username/Password" steps. This way there are not multiple accounts for one household.

PLEASE READ: There are limited number of spaces per camp. We **HIGHLY RECOMMEND** that you register early to guarantee your child a spot for the summer. Occasionally, camp scheduling, field trips, and content are subject to change due to ratios, staffing, inclement weather, and unforeseen events or circumstances. We will do our best to notify parents when these changes occur.

WISCONSIN SHARES CHILD CARE ASSISTANCE & YMCA FEE ASSISTANCE

Due to large waitlists for each camp, we kindly ask that if you decide to cancel your child's enrollment you let us know as soon as you can. This will allow us to reach out early enough to the next person on the waitlist.

- If you decide to cancel after final due date, no refund will be provided.
- Funds CANNOT be transferred to: another week of camp, to another family member or to a friend.

Child does not like Camp or not in a group with their friend request?

We understand that camp and the outdoors is not for all, however due to holding a spot in any given camp session, refunds will not be provided if you choose to cancel or remove them from the week or if they are not in the same group as their desired friend request.

Poor Behavior & Choices at Camp: The YMCA staff does their best to handle all camper behaviors & conflicts professionally & positively. We aim to redirect behavior in the best & safest manner possible for all participants, staff & volunteers. We understand that personalities may clash from time to time. If you choose to cancel your child out of camp due to clashing or conflicts between camper vs. camper, no refunds will be provided.

Unless otherwise specified, all camps are offered Monday - Friday. If you are not able to attend any portion of the camp session, no pro-rated fees, credits or refunds will be provided.

If you are interested in registering your child(ren) for a camp week this season, we highly encourage you to join the waiting list. Each year we see high demand when registration opens up and a waitlist starts on any camp. We cannot guarantee a spot will open up, but we tend to see spots become available closer to the desired camp week or after registration opens.

To be added to the waitlist, the online system will give you the option to "Add to Waitlist" during registration.

Cost? It is FREE to join the waiting lists, however you will be required to complete the required forms online. When a spot opens up you will be contacted about the next steps and have 24 hours to decide if you wish to take the open spot or not. CAMP SELECTIONS

PEE WEE CAMP

This program is designed especially for children ages 4 - 5 to enjoy a great camp experience at Camp Y-Koda. The Pee Wee program has two classrooms, Denison and Lohmann, with each being led by it's own Pee Wee Head Counselor all summer long. Each week has a different theme and has age appropriate curriculum and activities. We pay special attention to our youngest campers to make sure that their first camp experience is a positive one! Pee Wees will attend the Family Program, but do not have the option to sleepover. **Pee Wees must be self-sufficient when using restroom.**

TRADITIONAL DAY CAMP

Our traditional day camp is one of the best ways to experience all camp has to offer. Day Camps will get an array of classic activities that will include, but not limited to: arts & crafts, sports, nature studies, ranged sports (age 7+), group games, lake free play, bb guns (age 9+) and more. Each week our Day Campers will get a brand new schedule and a list of new activities. We strive to give our Day Campers a very custom schedule based on age groups, expected weather and more. We will keep busy all week long!

SPECIALTY CAMPS

All specialty camps are designed around a specific theme or skill. Specialty camp instruction is in the morning each day Monday - Thursday. In the afternoon, campers will partake in traditional day camp like activities. Selected camps will have specialty camp instruction on Friday also. Some specialty camps take off-site trips that may involve further instruction and therefore more hours. To view specialty camp descriptions, see pages 18 - 26.

RESIDENT CAMPS

These themed resident camps are a five day, four night experience for kids who can't get enough of Camp! We'll spend the week on our own schedule at our own pace. Our resident campers will stay in our Johnsonville Lodge all week. All resident camps include meals, snacks and tons of action-packed fun. Breakfast and dinner meals will be provided by Nourish of Sheboygan Falls, WI. For lunch, campers will be provided a meal by Camp Y-Koda. An email will be sent to parents prior to each camp with details and information about the week ahead.

ADVENTURE TRIPS

These off-site adventure trips offer an experience to last a lifetime and provide an amazing experience for kids and counselors alike. The fee includes all equipment, food, transportation and associated fees for the entire week. Participants cook their own meals, set their own tents and learn other valuable skills. All participants will leave with a newly earned sense of accomplishment and a better understanding of what it takes to spend a week in the outdoors. Each trip week is from Sunday-Friday and exclusive information will be emailed out by our camp director prior to arrival.

Campers are placed into groups with similarly aged children. It is a great way for your child to find out which activities they enjoy most so their next camp experience can be a specialty camp to focus on their favorite skill or activity.

Day Care Licensing only allows archery and sling shots for ages 7+, bb guns for ages 9+, and the ropes course for ages 9+.

VOLUNTEER PROGRAM

ASSISTANT COUNSELOR VOLUNTEER PROGRAM

Age 14 & Older

The Assistant Counselor Volunteer Program offers countless opportunities to interact with children, lead activities and participate in camp programs. Volunteers fulfill many different roles at camp. Volunteers must have a sincere desire to become strong leaders, a wish to give back to the camp community, a strong work ethic, lots of energy and creativity, a positive attitude and the ability to put children's needs ahead of their own.

The objective of the program is to better prepare the participants to be future leaders, in and out of the camp setting. This is done through hands-on experiences and guidance from staff members. All volunteers are required to take pre-camp training on camp and state DCF rules and regulations.
