

# KOHLER CENTER FOR MARSH EDUCATION SUMMER SERIES!

Join us for three evenings of learning, fun and adventure at the Marsh! All ages welcome. There's something for everyone!

**June 17<sup>th</sup>, 2026 @ 6:30-8:30PM: Frogs & Friends**

*Learn about frogs, their habitat, & their calls. Join us as we venture outside to listen and see what frogs we can find.*

**July 15<sup>th</sup>, 2026 @ 6:30-8:30PM: Wilderness Safety/Search and Rescue Dogs (featuring Great Lakes Search & Rescue K-9)**

*Join us for a presentation of the "Hug a Tree and Survive" Wilderness Safety program. Take an adventure outside to meet local search and rescue dogs and learn about their jobs!*

**August 26<sup>th</sup>, 2026 @ 7:00-9:00PM: Bats, Bugs, & Boats, Oh My!**

*Learn about the species of bats found in WI, what they eat, and more. Join us as we head out onto the marsh in canoes or kayaks to search for bats feeding in the night sky. If you have your own kayak and/or life jacket, please bring it!*
