

## Weddings

Whether you're thinking of having a rustic style wedding, looking for an outdoor wedding venue, or just looking for an indoor hall for your reception, Camp Y-Koda offers the perfect setting for your special day. With onsite lodging options for you and your guests, camp can be your one stop destination.

Our outdoor chapel with a view of the Sheboygan River, or sandy beach views of Lake Y-Koda provides the perfect atmosphere for an outdoor ceremony.

Weddings at camp do not provide catering – you can bring a caterer in or provide your own food.

### Facility Options:

**1. All of Camp for the weekend** Renting “all of camp” is a popular option for wedding groups that plan on having an outdoor ceremony at camp. Renting all of camp ensures that no other groups will be using any other areas of the camp. You have access to: Johnsonville Lodge, Lohman Lodge, all four campsites, the Denison Family Pavilion, chapel and all other outdoor areas of the camp property.

i. Your guests can come for an outdoor ceremony at the chapel, have pictures on property, reception at Johnsonville Lodge and then retire for the night in one of the cabins or lodges.

b. \$2,500 Friday at 6pm through Sunday at Noon

**2. Johnsonville Lodge** The Johnsonville Lodge is the main lodge at Camp and also our largest. It sleeps 40 people in four separate bunkrooms and seats up to 100. It has two main rooms; each with a natural fireplace, a side conference room, a large kitchen, and bathrooms with showers. It has an immediate outdoor area in the back with a patio and fire ring.
