**ECO-LUTION TRAVELING
ADULT NATURE GROUP
WEDNESDAY, MAY 12, 2021
Age 18 & Older**

This 2-hour nature program on Wisconsin's amphibians **will be held at the Hermitage Conservation Club, 6649 Hermitage Road, Elkhart Lake.**

Wisconsin's amphibians include frogs, salamanders and caecilians and make up the taxonomic Class Amphibia. Wisconsin has 12 frog species which are divided into three families: Bufonidae - the toads, Hylidae - the treefrogs and Ranidae - the true frogs. We will explore the general biology of these amazing creatures and search the small wetlands for evidence of their existence.

Wed..... 9:00am - 11:00am

**ECO-LUTION TRAVELING
ADULT NATURE GROUP
WEDNESDAY, MAY 26, 2021
Age 18 & Older**

This 2-hour nature program on Wisconsin's spring ephemeral plants **will be held at the Christopher Farm and Gardens at W580 Garton Road, Sheboygan.**

Spring ephemerals are a true sign of spring. However, they quickly bloom and produce seed, and then seemly disappear. The leaves often wither leaving only underground structures like roots, rhizomes and bulbs for the duration of the year. We will take a walk on the beautiful grounds of the Christopher Farm and Gardens looking for examples of spring ephemerals as we learn about their survival strategies and adaptations to spring. Wear comfortable shoes for lots of walking.

Wed..... 9:00am - 11:00am

**For more information,
please contact Sarah at sdezwarde@sheboygancountymca.org or 920-467-6882.**
