FRIDAY, JULY 25, 2025

Age 18 & Older

This comprehensive American Red Cross First Aid/CPR/AED course equips participants with the knowledge and skills needed to respond confidently in emergency situations. Whether you're a workplace responder, coach, teacher, parent, or simply want to be prepared, this training covers essential lifesaving techniques. Participants will learn how to assess injuries and illnesses, perform high-quality CPR on adults, children, and infants, use an Automated External Defibrillator (AED), and provide immediate care for common medical and trauma emergencies. This is a blended learning class where you will complete online work before coming to the in-person class. **Limited spots available.**

Course Features:

- Hands-on practice with CPR manikins and AED trainers
- Instruction from certified, experienced instructor
- Certification valid for 2 years
