YMCA CHILD WATCH

Child Watch is a drop-off child care program for children age 6 weeks - 7 years providing an interactive and healthy place for your child to play under the caring, active supervision of trained staff. You can enjoy your visit and work out with peace of mind. For safety reasons, parents must remain at the YMCA when their child is in Child Watch. At the Sheboygan Y, children 8 years and up can be in the entrance area of child watch and at the Falls Y they can remain in the lobby area. These areas are unsupervised.

- Your Sheboygan County YMCA family membership includes up to 1.5 hours per session (A.M. and P.M.) of child watch for immediate family only. This benefit is to accommodate Y families that have differing work schedules.
- Adult members and non-members must stop at the desk and pay for this service prior to dropping their child off. The fee per visit is \$5.00 per child for a YMCA adult member and \$8.00 per child for a non-member.
- Child Watch staff **do not** change diapers.

This class is for children who aren't yet able to swim 10-15 meters on their front and back independently. Children who finish Preschool 3&4 have strong skimming skills, so the next class up is Grade School 3 in Garton Pool or Grade School 4 in Verhulst Pool if they can swim front crawl with face in the water 10-15 meters, in deep water independently. Children must be at least 5 years old to move up to another class level.

AQUATICS PROGRAMS

SHALLOW WATER AEROBICS

Age 15+

Use the natural resistance of water to build strength, improve cardiovascular endurance, and increase flexibility, all while minimizing impact on knees, hips, and backs. Exercising in the water provides 360° resistance, meaning every movement works multiple muscle groups at once. The buoyancy of the water supports your body weight, reducing stress on joints and lowering the risk of injury. At the same time, the water's resistance helps tone muscles, improve balance, and enhance coordination. You'll also benefit from improved circulation and a refreshing workout that keeps you cool while you move.

This class is truly for all ages and fitness levels. Whether you're new to exercise, returning after an injury, cross-training, or simply looking for a low-impact way to stay active, water aerobics offers modifications and intensity options for everyone. Participants can work at their own pace. This class is taught in chest deep water in Verhulst Pool. Participants should be comfortable in the water but do not need to have swimming skills.

Monday (Instructor: Sue) 8:30am - 9:30am
 Tuesday (Instructor: Tom) 8:30am - 9:30am
 Wednesday (Instructor: Tom) 8:30am - 9:30am

DEEP WATER AEROBICS

Age 15+

This zero-impact class is performed in deep water using flotation belts to keep you suspended safely and comfortably. Without touching the pool floor, you'll engage your core, improve balance, and strengthen your entire body.

Deep water provides constant resistance while eliminating stress on joints, making it ideal for all ages, cross-training, injury recovery, or anyone looking for a challenging yet joint-friendly workout. Participants can adjust intensity to match their fitness level while enjoying a supportive, energizing environment.

Thursday (Instructor: Sue) 8:30am - 9:30am

Fee is Per Day

Sheboygan County YMCA Member	Free
Non-Member	\$10.00

AI CHI AQUATICS CLASS

Age 15+

Find calm, balance, and strength in this gentle, flowing water class performed in shallow, warm water. Set to quiet, relaxing music, Ai Chi combines slow, controlled movements with deep breathing to promote relaxation, flexibility, and improved balance.

The soothing warmth of the water supports the body while reducing joint stress, making this class ideal for all ages and abilities. Ai Chi helps decrease stress, enhance mind-body awareness, and improve overall well-being in a peaceful, supportive environment.

Restore, relax, and reconnect one breath at a time. .

ARTHRITIS AQUATICS CLASS

Age 15+

Move with greater comfort and confidence in our Arthritis Aquatics class, held in shallow, warm water during the late morning. The soothing warmth helps relax muscles and ease joint stiffness, while the buoyancy of the water reduces pressure on hips, knees, and backs.

This gentle, low-impact class focuses on improving range of motion, flexibility, and light strength to support everyday activities. It's ideal for individuals managing arthritis, joint discomfort, or those recovering from knee or hip surgeries who are looking to rebuild strength safely.

Enjoy the benefits of warm water exercise and start your day feeling looser, stronger, and refreshed.

- **Our fitness schedule is subject to change.** It is published separately from the brochure.
- **The fitness schedules are updated about once a month** and are available at the Welcome Desk or on our website at www.sheboygancountymmca.org.
- **Warm-ups are an important part of each class!** Please arrive 5 minutes before the start of each class

As part of a successful group fitness program at your YMCA, we want to offer beneficial days, times and types of classes. Therefore, the fitness schedule is subject to change. We consider 7 participants an optimal number in a class. If a class averages less than this over a 3-week period, we may eliminate it. In addition, if there is a class that is not currently offered, we may add it as well.

All fitness classes will run continuously with the exception of holidays. The schedule will be adjusted during holiday weeks.

We value your membership and want to provide a great fitness experience. For questions or feedback regarding fitness classes, please contact:
